

# SPRINT PLANNING

## *SPRINT 11*

DATE: 15/10/2018

## SPRINT GOALS

- **By the end of sprint 11**, we shall complete the final version of the project poster.
- **By the end of sprint 11**, we shall have the application hosted on a test server for purposes of showing off at the at the project poster presentation.
- **By the end of sprint 11**, we shall add an information pop-up to the application that will help inexperienced users navigate around the application.
- **By the end of sprint 11**, we will add custom confirm boxes to give it a more professional feel.
