

MEETING MINUTES

Team Meeting

LOCATION: Level 7 WZ Labs, Aut, City Campus

DATE: 24/07/2018

TIME: 14:00 - 15:00

ATTENDEES: Tristan Kells, Junha Yu, Dan Wood

Agenda Items

- Meeting after first Bulletproof meeting semester 2.
- Have decided to deviate from the sprint 5 plan after receiving feedback from the client on the application.
- Creating a greeting page and enabling access to multiple boards is no longer a priority.
- The focus for the remainder of the sprint will be addressing UI features brought up by Craig Sweeney and implementing a fully realised version of the monthly view.
- Have decided that we will put AWS implementation of the application on hold until we get given accounts from the client to use for the AWS, which have credit attached to them.
- Junha has taken ownership of implementing a social media login function, using AWS cognito.
- Dan is taking ownership of implementing a number of UI and front end focussed features to the weekly calendar.
- Tristan is working on making the first week of the monthly calendar automatically update using information entered in the weekly calendar.
