Hi Daniel,

Thanks for your email.

Please accept my apologies for getting this through to you so late.

If there is anything that I can do to ensure that this gets counted towards your feedback, please let me know.

Happy to call or email someone if required, or feel free to pass on my details.

The last few weeks have been extremely busy here due to our business integration, and I've had to travel over to Sydney multiple times (I'm leaving again on Thursday this week...).

Again, please accept my apologies for this, and let me know if there's anything further you need from me.

Thanks,
Grant

Subject: Client Feedback Forms

Hi Grant & Geethika,

Unfortunately the time has come and gone for us to submit our client feedback forms however we would still really appreciate it if you could complete these and get them back to us, we are applying for a late submission.

I have attached a copy of the form to this email for convenience.

Appreciate it! 😊

Kind Regards,
Dan Wood
