Date	Time	Task	Description	Hours
12/03/2018	10:00-12:00	Proposal Work	Team meeting. Tidied up documentation (Project Charter). Emailed moderator and supervisor to organize presentation.	2
13/03/2018	14:00-16:00	R&D Lecture	Attended the R&D lecture	2
14/03/2018	15:30-20:00	Research	Researched project methodologies. Work on methodology section of proposal.	4.5
15/03/2018	14:00-18:00	Proposal Work	Had group work session on proposal. Worked on skills analysis and high-level requirements	4
			Total	12.5

WEEK 4

Date	Time	Task	Description	Hours
20/03/2018	14:00-16:00	R&D Lecture	Attended the R&D lecture	2
20/03/2018	11:00-12:00	Client meeting	Attended a meeting with the client	1
20/03/2018	12:00-17:00	Team meeting	Worked on the project proposal.	5
21/03/2018	12:00-20:00	Research	Researched Jira Integration and add-on	8
			Total	16

WEEK 5				
Date	Time	Task	Description	Hours
27/03/2018	10:00-14:00	Team meeting	Worked on the project proposal after getting feedback	4
27/03/2018	14:00-16:00	R&D Lecture	Attended the R&D lecture	2
28/03/2018	12:00-17:00	Presentation	Worked on the proposal presentation	5
29/03/2018	12:00-20:00	Research	Researched Jira	8
			Total	19

WEEK 6				
Date	Time	Task	Description	Hours
05/04/2018	15:00-16:00	Mentor Meeting	Had meeting with Kenneth	1
05/04/2018	17:00-18:00	Research	Researched Jira API	1
06/04/2018	12:00-18:00	Research	Researched Javascript, JQuery, and how to integrate with Jira API	6

			Total	8
--	--	--	--------------	---

WEEK 7				
Date	Time	Task	Description	Hours
23/04/2018	15:00-16:00	Client Meeting	Had meeting with Client	1
24/04/2018	11:00-17:00	Research	Researched AWS concepts	6
			Total	7

WEEK 8				
Date	Time	Task	Description	Hours
01/05/2018	11:00-16:00	Team Meeting	Discussed and allocated tasks to make an app with basic functions	5
02/05/2018	12:00-18:00	Application Development	Worked on the task assigned to me (made functions for adding and deleting rows for a table)	6
			Total	11

WEEK 9				
Date	Time	Task	Description	Hours
09/05/2018	13:00-16:00	Team Meeting	Reviewed the works we have done, and then discussed and allocated tasks	3
09/05/2018	16:00-22:00	Application Development	Made functions for inline cell editing, and designed db table structure and made sql queries	6
10/05/2018	14:00-14:30	Mentor Meeting	Had meeting with Kenneth	1
			Total	10

WEEK 10				
---------	--	--	--	--

Date	Time	Task	Description	Hours
15/05/2018	12:00-19:00	Research	Researched mobile app development	7
16/05/2018	12:00-20:00	Research	Researched how to make app compatible on mobile devices	8
			Total	15

WEEK 11				
Date	Time	Task	Description	Hours
22/05/2018	11:00-12:00	Client Meeting	Had meeting with Client	1
22/05/2018	14:00-17:00	Team Meeting	Worked on the mid project review	3
			Total	4

WEEK 12				
Date	Time	Task	Description	Hours
31/05/2018	11:00-20:00	Upskilling	Studied using javascript with web dev. assessment	9
01/06/2018	14:00-15:00	Team Meeting	Worked on the mid project presentation	1
			Total	10

Semester 1 : 121.75 hours

Semester 2

WEEK 13

Date	Time	Task	Description	Hours
17/07/2018	11:00-13:00	Team Meeting	Sprint review and planning	2
19/07/2018	11:00 - 12:00	Mentor Meeting	Talked about the project progress and planning	1
19/07/2018	13:00-20:00	Upskilling	Studied about AWS and how to deploy web application on its server	7
20/07/2018	13:00-20:00	Upskilling	Studied about web services that AWS has	7
			Total	17

WEEK 14				
Date	Time	Task	Description	Hours
24/07/2018	13:00-14:00	Client Meeting	Meeting with the client and was advised that we should deploy the application on EC2	1
24/07/2018	15:00-17:00	Team Meeting	Did some documentations with team	2
25/07/2018	13:00-21:00	Upskilling	Studied about EC2 and RDS	8
			Total	11

WEEK 15				
Date	Time	Task	Description	Hours
31/07/2018	10:00-18:00	Coding	Applied security features on the application (password encryption, session authentication)	8
01/08/2018	12:00-21:00	Coding	Installed LAMP stack on EC2 instance	9
02/08/2018	12:00-19:00	Coding	Setup LAMP stack on EC2 and deployed the application on the server	7
			Total	24

WEEK 16				
Date	Time	Task	Description	Hours
06/08/2018	10:00-11:00	Client Meeting	Had meeting with client	1

07/08/2018	10:00:20:00	Coding	Fixed some issues on logging in	10
08/08/2018	12:00:20:00	Coding	Worked on security groups on the server	8
			Total	19

WEEK 17				
Date	Time	Task	Description	Hours
14/08/2018	10:00-11:00	Team Meeting	Team sprint planning and review	1
14/08/2018	12:00-19:00	Coding	Made user options, log out	7
			Total	8

WEEK 18				
Date	Time	Task	Description	Hours
21/08/2018	11:00-21:00	Coding	Updated the login system and other little issues	10
			Total	10

WEEK 19				
Date	Time	Task	Description	Hours
28/08/2018	10:00-14:00	Team Meeting	Sprint review and planning	4
28/08/2018	14:00-22:00	Coding	Made 'stay signed in' feature	8
			Total	12

WEEK 20				
Date	Time	Task	Description	Hours
18/09/2018	15:00-17:00	Lecture	Attended the R&D Lecture about the handover documentation	2
19/09/2018	10:00-22:00	Coding	Worked on implementing Google sign-in. Studying about Google API and how it works, and how it should be implemented on a website	12
			Total	14

WEEK 21				
---------	--	--	--	--

Date	Time	Task	Description	Hours
25/09/2018	11:00-12:00	Mentor Meeting	Meeting with Kenneth about the portfolio and usability testings.	1
26/09/2018	13:00-21:00	Coding	Implemented Google sign-in	8
			Total	9

WEEK 22				
Date	Time	Task	Description	Hours
01/10/2018	10:00-11:00	Client Meeting	Meeting with the client about usability testing	1
01/10/2018	12:00-13:00	Team Meeting	Team sprint planning and review	1
			Total	2

WEEK 23				
Date	Time	Task	Description	Hours
08/10/2018	10:00-15:00	Coding	Made a new menu option	5
			Total	5

WEEK 24				
Date	Time	Task	Description	Hours
15/10/18	13:00-14:00	Team Meeting	The last sprint review and about poster	1
16/10/18	11:00-12:00	Mentor Meeting	Meeting with Kenneth about the portfolio and the poster	1
16/10/18	13:00:14:00	Poster	Worked on the poster content	1
			Total	3

Semester 2 : 134 hours
