Bulletproof Weekly Planner Application
Post Usability Study Questionnaire

(Please mark your response with an X)

Name: Grant Sweeney

(1) Strongly Agree (2) Agree (3) Neutral (4) Disagree (5) Strongly Disagree					
Questions	1	2	3	4	5
The menu items were well organized and functions were easy to find.		x			
Comments: Some things I wasn't sure if they were located in "Manage" or the settings icon. But once I checked one, and it wasn't there, I would just check the other. For the copy one person week function, I guessed what it was. Would be good to have a "help" section, or some hover-over instructions that can be removed.					
I could easily locate the links I needed to navigate through the website.	x				
Comments:					
It wasn't clear to me where links would take me on the website.					x
Comments:					

Interactable features behaved as I expected.	x				
Comments:					
I didn't like the overall colour palette of the website					x
Comments:					
I found the user interface cluttered					x
Comments:					
I found the application visually appealing	x				
Comments:					
The application felt intuitive to use.		x			
Comments: Refer to first comment					

The application felt unresponsive to my actions					x
Comments:					
The application load times were appropriate.	x				
Comments:
