MEETING MINUTES

Team Meeting

LOCATION: Level 7 WZ Labs, Aut, City Campus

DATE: 15/07/2018

TIME: 11:00 - 12:00

ATTENDEES: Tristan Kells, Junha Yu, Dan Wood

Agenda Items

- First meeting after the break, showed progress on the application over the holidays.
- The team has implemented the backend PHP and SQL code to save state information for the calendar.
- Tristan has emailed Bulletproof and Kenneth to organise meeting to help establish the goals of the second semester.
- Dan has taken ownership of the UX design and has decided to have a working version done by the end of the week (before the meeting with bulletproof)
- Junha has taken ownership of register/login user functionality to add security to the page
- Tristan will work on the front-end javascript to make the table rows re-organisable.
- Junha has taken ownership of getting some of the month-calendar view working before next meeting.
