Participant Age:	39
Ethnicity:	NZ European
Job Title:	General Manager
Company:	Bulletproof

TASKS

Task 1:

Log into the application using the credentials admin@admin.com and a password of admin.

TASK	General Comments/Notes (Moderator)
1	No trouble

Task 2:

Create a new account with the email john.smith@bulletproof.net and password cloud123.

TASK	General Comments/Notes (Moderator)
2	No trouble

Task 3:

Reset the password for the account john@bulletproof.net from cloud123 to google123

TASK	General Comments/Notes (Moderator)
1	Was a little confused as to what account he was logged in as

Task 4:

Add a new client with the name Nike and abbreviation NIK.

TASK	General Comments/Notes (Moderator)
1	No trouble, automatically went to click the delete button instead of the add button.

Task 5:

Navigate forward one week and duplicate the entire previous week of allocations over to the new week.

TASK	General Comments/Notes (Moderator)
1	Confused as to where to copy. Was looking at the side.

Task 6:   Change the client colour of Nike to dark grey.

TASK	General Comments/Notes (Moderator)
1	No trouble

Task 7:

Set the Thursday PM allocation for Dan Wood to the client Nike, and the state to meeting.

TASK	General Comments/Notes (Moderator)
1	Grant's previous experience helped in setting the meeting.

Task 8:

Navigate forward two weeks and duplicate the entire row of allocations from the previous week for Tristan Kells.

TASK	General Comments/Notes (Moderator)
1	Had a little trouble but found it fairly quickly. Suggested hover.

Task 9:   Turn on colourblind mode.

TASK	General Comments/Notes (Moderator)
1	Took a while to find it.

Task 10:   Delete all clients and consultants

TASK	General Comments/Notes (Moderator)
1	No trouble, noted that the button for delete almost looks like the add new consultant button.
